“I joined Smile Telecom over two years ago. Before working with Smile I had no experience working in the telecoms market. Now my store is currently one of the top Bell Dealer locations in Western Canada.”

- ERICA YO, British Columbia, COQUITLAM BRANCH

“I truly feel that the mobile phone industry is one of the top businesses that can hold retail and commercial sales during difficult economic times. I was initially apprehensive as the Telecom business was a new challenge in my career. Smile Telecom was always ready to help me, even late at night and weekends. Everyone in Smile Telecom is great to work with, which is very comforting to someone starting a new business. They are always very professional and supportive.”

- CHRIS LEE, British Columbia, PORT COQUITLAM BRANCH

“I have always been excited about new technology and always wanted to run my own business. I thank Smile Telecom for making it possible for me to bring both my passion and career together.”
